

We are hiring

Would you like to be part of our dynamic, global, and growing team? south pole group is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions we inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

REDD and A&R Project Intern (100%) based in Medellin, Colombia

6 months contract, starting in September 2015

As a member of our projects team you will report to the Head of Implementation of Forestry and Land Use Projects and assist the different team members in producing and editing project documentation and marketing material.

Tasks and responsibilities

- Support in development of project description documents, monitoring plans and guidance documents under the VCS, Gold Standard, CCBS and Australian CFI
- Support in data collection in client offices or on project sites
- Support the Head of Forestry and Land Use change team in forest carbon market proposals development
- Develop marketing documentation for VER forestry projects
- Develop language check for technical documents written in English

Your profile

- English and Spanish: High level, written and spoken
- You should be in the final 3-4 semesters of your postgraduate studies, or possess a B.Sc. or M.Sc., in Engineering, Environmental Science, Forestry, Geoecology, Geography, Economy or biology. Field experience and knowledge of the Latin American business environment is a plus
- Safely handle office applications
- Knowledge of Geographic Information Systems is a plus
- Ability to work independently, flexibly and prioritise tasks
- A dynamic, hard-working mentality and a desire to be involved in a changing and flexible environment
- You should have a work permit for Colombia or a Visa permission for at least six months

We offer

- Be part of a growing and multicultural company
- Work autonomously as well as within a large and international team
- Great variety of tasks and content
