

We are hiring

Would you like to be part of our dynamic, global, and growing team? South Pole Group is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions we inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Accountant (80-100%) based in Medellin, Colombia

In this role you are responsible for the accounting processes of our local company. You take care of the daily bookkeeping, establish and analyse financial reports of the company and further develop such. Besides knowledge about the local Colombian accounting standard you have gathered experience in international set ups and are familiar with detailed cost accounting structures. You will take care of delivering adequate and timely tax declarations as per local regulations. Furthermore, you oversee the payroll administration and make sure employment set ups are in line with local standards.

Tasks and responsibilities

- Manage accounts of our local legal entity in local GAAP and according to internal accounting standards
- Monthly reporting to the headquarters
- Maintain cost accounting and reporting within global framework
- Payroll including social security administration (EPS, ARL, Caja de Compensación, etc.)
- Tax declarations (VAT, Source tax, Corporate tax, CREE, etc.)
- Be the local person of contact for the headquarters

Your profile

- Public accountant with specialisation in tributary law and wide knowledge of local GAAP
- At least 4 years of experience in similar positions
- Fluency in Spanish and English
- Financial and analytical skills for cost and tax calculations, which allow for management level decision making
- Know-how of local tax legislation as well as international and double taxation agreements
- Knowledge of basic tax auditing processes, being an accredited "revisor fiscal" is a plus
- Detailed know-how of processes and reports with regulatory national entities and department level entities
- Well-founded knowledge of local labour law and employee benefits schemes
- Advanced knowledge of office software (Word, Excel, accounting software)
- Efficient planning and priority setting
- Decision making support and ability to take own decisions
- Results focused approach

We offer

- One-year contract with the possibility to extend
- Excellent team spirit
- Be part of a growing and multi-cultural company
- Work autonomously as well as within a large and international team
