

We are hiring

Would you like to be part of our dynamic, global, and growing team? South Pole Group is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions we inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Consultant Corporate Sustainability (100%) based in Stockholm, Sweden

As a member of our Operations unit, you will be responsible for the successful and efficient implementation of our mandates. As a consultant you will be responsible for consultancy mandates in the area of climate impact and life cycle analysis. You will also have an in-house advisory role concerning the development of our climate related services.

Tasks and responsibilities

- Conduct greenhouse gas inventories for corporate and public clients
- Conduct Life Cycle Analysis
- Sustainability reporting
- Support colleagues and clients with knowledge regarding the scientific basis of climate change
- Manage the overall accuracy and quality of data in in-house databases

Your profile

- Advanced university degree, ideally in environmental science or engineering
- Demonstrated experience in GHG-accounting, carbon foot printing or Life Cycle Analysis
- Academic professional
- Excellent oral and written command of Swedish and English
- Strong analytical skills
- Excellent interpersonal and communication skills
- Ability to act as a team member in a multicultural environment
- Ability to prioritise tasks and meet deadlines
- Good working knowledge of all Microsoft Office applications
- Diligent, reliable, and proactive and self-sufficient but collaborative approach to work

We offer

- Excellent team spirit
- Be part of a growing and multi-cultural company
- Work autonomously as well as within a large and international team

Please apply

If you are interested in joining a young and international team looking to make a difference to the world we would be happy to hear from you! Please send your cover letter and CV directly through our [website](#).
