

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole Group is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions we inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Intern Sustainable Finance (50-100%) based in Mexico City, Mexico

In this role you will be working in our Consultancy and Services team during 6 months. You will mainly support our Investment and Climate Change experts by conducting research tasks related to sustainable finance. You will seek, organise and generate data and will support our team with the preparation of sustainable finance products. This position will give you a unique opportunity to apply and enhance your skills acquired at university. If you are an enthusiastic and dynamic person with academic background in finance and you are passionate about helping to fight climate change as part of your daily work, then we are looking for you.

Tasks and responsibilities

- Execution of research tasks in the field of sustainable finance
- Support in carbon footprinting assessments for investments
- Support in impact assessment on climate change risks of investments and assets
- Support in preparing project deliverables related to investments and climate change
- Participate in proposal preparation activities related to South Pole Group's (SPG) sustainability topics

Your profile

- A Bachelor's degree (just completed or in the last semester of studies), ideally in Economics, Finance, Sustainable Finance or related disciplines
- A Master's degree will be of advantage
- Previous work experience is an advantage but not mandatory
- Accurate working style, with a great attention to detail
- Independent and pro-active worker, diligent and reliable
- Excellent analytical skills
- Fully comfortable in conducting research tasks and managing large databases
- Excellent oral and written command of English and Spanish. German and French language skills are a strong advantage

We offer

- Collaborating in a challenging and exciting global company with a real purpose
- Getting an understanding of current state of play in sustainable finance and grow your skills in this topic
- Working with highly dedicated and motivated experts of SPG's dynamic team
- Excellent team spirit
- The opportunity to prove yourself for a long-term opportunity to collaborate with SPG

Please apply

If you are interested in joining a young and international team looking to make a difference to the world we would be happy to hear from you! Please send your cover letter and CV directly through our [website](#).
