

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole Group is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions we inspire and enable our customers to create value from sustainability-related activities.

To bridge a peak period of six to nine months in our Global Accounting Team, we are looking for a highly-motivated and dedicated

Accountant / Controller (80-100%, fixed term contract) **based in London or Zurich**

With offices spanning all around the globe, this position in the Global Accounting team is full of exciting challenges. In this role you are in constant contact with the senior management of the company and all our offices. In this role you will be directly reporting to the Director Central Functions at our headquarters in Zurich.

Tasks and responsibilities

- Coordinate monthly reporting of South Pole Group's companies
- Review and quality check of reported financials
- Coordinate with senior management to drive the overall revenue and cost controlling
- Work closely with headquarters to maintain and further advance strong processes to support timely reporting
- Identify and drive initiatives to further leverage financial systems, streamline process flows and create systematic methods for efficient data processing, reporting and analysis of past history, current positions and predictive future performance
- Support local accountants on the group financial guidance
- Additional responsibilities as identified

Your profile

- Bachelor's degree in accounting/controlling/finance or equivalent education is a must
- 5+ years experience in diverse international accounting and finance
- High-energy, flexible and responsive work style; ability to work in a fast-paced environment
- Fluent in English
- Excellent IT skills
- Strong analytical and problem solving skills
- Solid organisational skills and attention to detail
- Very good conceptual and process design skills

We offer

- Be part of a growing and multicultural company with a real purpose
- Excellent team spirit; work with dedicated and enthusiastic people
- The opportunity to prove yourself for a long-term opportunity to collaborate with SPG

Please apply
