

CERTIFICATE OF CLIMATE PROTECTION

This certificate verifies that

South Pole Group

has compensated

740 tonnes of CO₂e

for the year 2016

South Pole Group's net greenhouse gas emissions caused by the company's operations (including travel) in 2016 have been measured and offset through the following climate protection project:

Za Hung Hydropower Project, China (300758)

13 CLIMATE ACTION

Thank you for committing to bold climate action. Your contribution is not only a meaningful step towards mitigating climate change globally, but also changes lives for the better by contributing to the Sustainable Development Goals set out by the UN.

Renat Heuberger
CEO, South Pole Group

Certificate no.SPG C1396EN, 07.2017

This certificate is issued by South Pole Group. For more information about our services and more than 500 climate protection projects, please visit: thesouthpolegroup.com/projects. The CO₂ emissions indicated on the certificate are compensated through investments in the above mentioned carbon offset projects based on international standards.
