

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions we inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Junior Designer Intern (100%) based in Jakarta, Indonesia

South Pole's (SP) Marketing team is looking for a motivated Junior Designer to build and strengthen our corporate identity and brand. Working closely with the Head of Design, you will design marketing deliverables and support the evolution of our brand. In addition, you will also assist in South Pole's collateral production, ensuring that SP's internal and external documents are attractive. Dedicated, resourceful, enthusiastic and passionate about fighting against climate change. If this sounds like you, this is the ideal job for you!
