

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions we inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Intern GHG Accounting (50-100%) based in Stockholm, Sweden

As part of the Consultancy team, you will support the successful and efficient implementation of our projects for Swedish clients in the Greenhouse Gas (GHG) management field. You will be responsible for carrying out GHG inventories and support in writing the associate reports for our clients. If you have a general background in sustainability and environmental issues and GHG reporting/inventory, a strong aptitude for quantitative analysis, attention to detail and you are fluent in Swedish, then we are looking for you!

Tasks and responsibilities

- Conduct GHG inventories
- Conduct research on emissions factors
- Support in writing GHG accounting reports
- Support the team with administrative tasks

Your profile

- Advanced University degree, in Environmental Science or Engineering
- Demonstrated experience in GHG-accounting, carbon foot printing or Life Cycle Analysis
- Excellent oral and written command of Swedish and English is essential
- Strong analytical skills
- Excellent interpersonal and communication skills
- Good working knowledge of all Microsoft Office applications
- Diligent, reliable, and proactive and self-sufficient but collaborative approach to work
- Swedish nationality or holder of a valid work permit is a must

We offer

- Excellent team spirit
- Be part of a growing and multicultural company
- Work autonomously as well as within a large and international team
- Flexible workload and duration of the internship

Please apply

If you are interested in joining a young and international team looking to make a difference to the world we would be happy to hear from you! Please send your application in English directly through our [website](#).
