

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions we inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Intern Public Advisory (100%) based in Jakarta, Indonesia

This position within our Consultancy and Services unit will give you a unique opportunity to apply and enhance your skills acquired at university. You will mainly support our Public Advisory experts by conducting research tasks related to Climate Policy and Finance. You will be responsible for seeking, organising and generating data and you will support our team with the preparation of deliverables for mandates and business development products. If you are an enthusiastic and dynamic person with a relevant academic background and passionate about helping to fight climate change as part of your daily work, then we are looking for you!

Tasks and responsibilities

- Execution of research tasks in areas related to Climate Policy and Finance
- Support in preparing project deliverables related to Climate Policy and Finance
- Participate in proposal preparation activities related to South Pole (SP)'s sustainability topics
- Supporting business development research and activities for Indonesia, the rest of Southeast Asia and globally

Your profile

- An university degree (just completed or in the last semester of studies) in Climate Change, Renewable Energy, Environmental economics or a related discipline
- A Master's degree will be an advantage
- Excellent research and analytical skills
- Fully comfortable in conducting research tasks and creating reports
- Independent, proactive and initiative driven
- Diligent and reliable personality
- Excellent oral and written command of English and Bahasa Indonesia. Other languages such as Spanish, German and/or French are a strong advantage
- Experience using MS Word, Excel and PowerPoint
- Previous work experience is desirable but not mandatory
- Indonesian nationality or holder of a valid work permit is a must

We offer

- Collaborating in a challenging and exciting global company with a real purpose
- Acquiring an understanding of current state of play in sustainability issues and grow your skills in this topic
- Working with highly dedicated and motivated experts of SP's dynamic team
- Excellent team spirit
- The opportunity to prove yourself for a long-term opportunity to collaborate with SP

Please apply

If you are interested in joining a young and international team looking to make a difference to the world we would be happy to hear from you! Women are especially encouraged to apply. Please send your application in English directly through our [website](#).
