

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions we inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Junior Digital Producer (100%) based in Jakarta, Indonesia

In this 3-month assignment, you will play an important role in supporting the Implementation team by working across South Pole's digital-based projects to drive engagement and accompany our customers on their journey with us. Working across Digital Marketing, Business Development and Campaigns, this role offers a fantastic learning opportunity and will suit a candidate with solid technical skills in digital development and a willingness to learn in a fast paced environment. If you are an enthusiastic and dynamic person and passionate to contribute to the fight against climate change, then we are looking for you!

Tasks and responsibilities

- Sending and managing email campaigns, such as gathering content, building HTML emails, sending and reporting with Mailchimp and SugarCRM
- Loading content using CMS and work with various teams to perform daily website content updates across several South Pole owned websites
- Manage asset creations and upload to the group websites, blogs and South Pole's internal platforms.,

Your profile

- Bachelor's Degree in relevant field(s), a Masters Degree will be an advantage
- 1 year of experience in relevant field
- Ability to write and edit HTML and CSS
- Experience with a CRM such as Salesforce/Zoho/Sugar/Hubspot
- Experience in using WordPress and/or similar CMS platforms
- Experience with email marketing software such as Mailchimp
- Ability to manage time efficiently and meet deadlines
- Knowledge of SEO and Google analytics and Adobe Photoshop will be an advantage.
- Experience in working with small teams, ideally in an international and multicultural context

We offer

- Work in a growing global company with a real commitment to sustainability and fighting climate change
- Excellent team spirit, work with a dedicated and enthusiastic international team around the globe
- A chance to learn a lot and develop your skills and knowledge, with maybe a possibility for a long-term opportunity at South Pole.

Please apply

If you are interested in joining a young and international team looking to make a difference to the world we would be happy to hear from you! Women are especially encouraged to apply. Please send your application in English directly through our [website](#). If you have any questions regarding this vacancy, please contact Ms. Tiara Anggraeni on +62 21 7207567 or on jobs@southpole.com.
