

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions we inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Sustainability Intern (100%) based in Zurich, Switzerland

Would you like to be part of our dynamic, global, and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions, we inspire and enable our customers to create value from sustainability-related Activities. To further strengthen our consultancy activities in Europe, we are currently looking to recruit a highly motivated and dedicated Consultant Intern to support the Consultancy & Services Team for 6 months.

Tasks and responsibilities

- Support the preparation of proposals
- Participate in projects and consultancy mandates related to sustainability
- Conduct research on topics, partners and competitors
- Support the team with administrative tasks

Your profile

- Recently graduated or about to graduate from university, ideally in Environmental Sciences, Environmental Management, Engineering, Environmental Sciences, Natural Resource Economics, Economics, International Affairs, Public Policy, or related disciplines
- Previous work experience or volunteering experience is an advantage
- Oral and written fluency in English. Language skills in French, Spanish or German are a plus
- Advanced Excel skills
- Ability to take initiative, work independently in a diligent and reliable manner, and manage priorities
- Ability to work with deadlines and attention to detail
- Ability to interact in a multicultural environment and work in a team
- Strong ability to learn and motivation to be a changemaker
- Interest to start a career as a consultant in sustainability related topics

We offer

- Work in a growing global company with a real commitment to sustainability and fighting climate change
- Excellent team spirit, work with a dedicated and enthusiastic international team around the globe
- Chance to expand the tasks and potentially a full-time employment contract
