

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. South Pole acts today 'for a better tomorrow'. With offices spanning all six continents, we accelerate the transition to a climate-smart society. Our vision is "Climate Action for All": We inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Sustainability Intern (100%) based in Zurich, Switzerland

South Pole strives to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. To further strengthen our consultancy activities in Europe, we are currently looking for a highly motivated and dedicated Sustainability Intern to support the Consultancy & Services Team for 6 months.

Tasks and responsibilities

- Support the preparation of proposals
- Participate in projects and consultancy mandates related to sustainability
- Conduct research on topics, partners and competitors
- Support the team with administrative tasks

Your profile

- Recently graduated or about to graduate from university, ideally in Environmental Sciences, Environmental Management, Engineering, Environmental Sciences, Natural Resource Economics, Economics, International Affairs, Public Policy, or related disciplines
- Previous work experience or volunteering experience is an advantage
- Swiss nationality or holder of a valid work permit is a must
- Oral and written fluency in English. Language skills in French, Spanish or German are a plus
- Advanced Excel skills
- Ability to take initiative, work independently in a diligent and reliable manner and manage priorities
- Ability to work with deadlines and attention to detail
- Ability to interact in a multicultural environment and work in a team
- Strong ability to learn and motivation to be a changemaker
- Interest to start a career as a consultant in sustainability related topics

We offer

- Work in a growing global company with a real commitment to sustainability and fighting climate change
- Excellent team spirit, work with a dedicated and enthusiastic international team around the globe
- Chance to expand the tasks and potentially a full-time employment contract

Please apply

If you are interested in joining a young and international team looking to make a difference to the world we would be happy to hear from you! Please send your cover letter and CV directly through our [website](#). If you have any questions regarding this vacancy, please contact us on jobs@southpole.com.
