

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. South Pole acts today 'for a better tomorrow'. With offices all around the globe, we accelerate the transition to a climate-smart society. Our vision is "Climate Action for All": We inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Office Manager and Operations Assistant (100%) based in Mexico City, Mexico

South Pole works with a large number of prestigious corporate and public sector clients to support them in their sustainability journey. To support our Mexican office and our global team, we are currently looking for an Office Manager coupled with an Operations Assistant role

As an Office Manager, you will be responsible for the overall management of the Mexican office, work to ensure timely and accurate management of financial resources, administrative processes and office logistics. You will liaise with our accounting departments to ensure all required information is provided accurately and on time. You will also attend customers and phone calls

As an Operations Assistant, you will contribute to our Consultancy team by supporting with the maintenance of tools, formatting and compiling some documents

If you are bilingual (Eng & Spa) and passionate about sustainability, have a strong attention to detail, can learn quickly and are able to thrive in a fast paced environment, then we are looking for you!

Tasks and responsibilities

Office Manager (80%)

- Manage financial resources, office-associated payments and administrative procedures
- Communicate with our accounting departments (local and Swiss) and provide the information required
- Ensure that the local accountant is taking care of our legal and operational obligations
- Check monthly financial reports and prepare monthly office budget
- Manage office's logistics to ensure good working conditions
- Attend customers, visitors and phone calls
- Manage service providers

Operations Assistant (20%)

- Maintain internal tools and templates
- Compile and format documents for proposal preparation (e.g. CVs and references)
