

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. South Pole acts today 'for a better tomorrow'. With offices all around the globe, we accelerate the transition to a climate-smart society. Our vision is "Climate Action for All": We inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Senior Group Accountant (100%) based in London, England

As a senior member of our Global Accounting team, you drive the smooth execution of the monthly financial closing process at a corporate level. You are accountable for ensuring accurate management of all accounting transactions as well as the reconciliation of accounts. In this challenging position you will be collaborating with multiple South Pole offices located all over the world, especially with our Headquarters in Zurich, Switzerland

Tasks and responsibilities

- Play a leading role in preparing and executing the group monthly financial closing process, including but not limited to reviewing local reports, control and validation of reports, data analysis, reconciliation and elimination of intercompany transactions and relationships, preparation and posting of consolidation journal, etc
- Performing analysis for and preparing financial reports to management, in liaison with external auditors and other stakeholders
- Confirming proper treatment and compliance of all accounting transactions and group policies with local accountants
- Maintaining proper reconciliation and integrity of all G/L accounts
- Leading and contributing to projects and initiatives such as global liquidity management, transfer pricing
- The development of lean financial processes and/or systems

Your profile

- Bachelor's degree in Business, Finance or Accounting
- 5+ years of relevant experience in international accounting and finance
- Ability to drive own work efficiently with minimal guidance to identify and solve complex challenges with significant autonomy
- Outstanding IT skills
- Good experience with conceptual and financial process design
- Energetic, flexible and responsive working style with strong analytical skills
- Excellent communication skills and fluent in English to liaise effectively with internal as well as external stakeholders
- Experience with Big 4 public accountancy firm is a plus

We offer

- Work in a global profit for purpose company with a real commitment to sustainability and fighting climate change
- Excellent team spirit, work within large and international team of sustainability passionate professionals
- The opportunity to work with professional experts all around the world
