

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. South Pole acts today 'for a better tomorrow'. With offices all around the globe, we accelerate the transition to a climate-smart society. Our vision is "Climate Action for All": We inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Corporate Sustainability Intern (100%) based in Mexico City, Mexico

As a Corporate Sustainability Intern you will support our sustainability experts by conducting research tasks related to corporate sustainability advisory. You will seek, organise and generate data, in particular related to GHG accounting. You will also support our team with the preparation of deliverables for mandates and business development products. If you would like to learn about corporate sustainability, then we are looking for you!

Tasks and responsibilities

- Execution of research tasks in areas related to sustainability
- Support in preparing project deliverables and proposals related to South Pole's sustainability topics, in particular around GHG accounting and disclosure

Your profile

- A university degree in Environmental Science, Environmental Engineering, Political Sciences, or related disciplines. A Master's degree will be an advantage
- Independent and pro-active worker who is diligent and reliable
- Excellent research, analytical and methodological skills
- Fully comfortable in conducting research tasks and creating reports
- Excellent oral and written command of English and Spanish
- Previous work experience is an advantage but not mandatory

We offer

- Work in a growing global profit for purpose company with a real commitment to sustainability and fighting climate change
- Excellent team spirit, work within a large and international teams of sustainability passionate professionals
- The opportunity to work with a culturally diverse team based around the world

Please apply
