

Gold Standard for the Global Goals Annual Report

March 2018 - Version 1.1

Project Title	WWF Ningshan County High Efficient Cook Stove Project
Gold Standard ID	2429
Date of Annual Report	13/01/2020
Date of Design Certification	28/05/2014
Date of Transition Approval (Transition Projects only)	11/03/2019
Date of Last Verification	03/12/2018

Gold Standard

1 – Annual Reporting

(a) a summary of the recent activities, events and actions related to the Project:

During this year, all the cook stoves operated normally except some minor repair. Through the telephone interview for some users randomly selected among the database, there was no overhaul or replacement of the cook stoves. Only several minor repair.

(b) a clear statement on how stakeholders may provide inputs/grievances:

In the previous stakeholder consultation meeting, the project information and contact information of the project owner was made public to the stakeholders, including email and telephone of the project owner. After these years of operation, the local people are familiar with the project. Anyone can give comment via email or telephone.

Besides, a grievance book was put in each village and WWF Xián office. Anyone can put her or his comment on the book.

(c) a list of all inputs/grievances that have been received since last Annual Report together with their respective answers/actions

N/A. It is the 1st annual report after the transition to GS4GG.

(d) any incidents or events that may impact the Outcomes/Impacts delivered to date (in terms of loss) or the ongoing Performance of the Project.

No incidents or events occurred that may impact the outcomes delivered or the ongoing Performance of the Project.
