

We are hiring

Would you like to be part of our dynamic, global, and growing team? South Pole Group is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions, we inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Junior Communications Specialist (80-100%) based in Sydney or Bangkok

Our global Marketing team is gearing up to take the company to its next level. We are seeking a dedicated and resourceful communications professional who can complete our global communications team. In close cooperation with the Communications Manager, you will be in charge of managing, curating and optimising our communications outreach across all channels.

This is a junior position requiring an enthusiastic and dynamic communications starter who has some experience in content creation and digital media. You are a native English speaker with passion about helping to fight climate change as part of your daily work.

Tasks and responsibilities

- Communications strategy:
Support with the implementation of South Pole Group's communications strategy
- Website management:
Maintenance and adaptations of website: support with content production, assume ownership of CMS
- Social media & community management:
Implementation of South Pole Group's social media strategy
- Project communication:
Ensure adequate documentation of the company's emission reduction projects
- Newsletters:
Implementation and send-out of internal and external newsletters
- Content creation support:
Curating internal and external content production for news articles, blog articles, events, media releases, social media and interviews
- Local Marketing support:
Assist with organising local events and production of Marketing materials

Your profile

- Degree in Marketing, Communications or equivalent
- 1 to 2 years of relevant working experience in journalism, communications or corporate publishing
- Excellent knowledge of English (native level)
- Understanding of web-based content management systems, e.g. WordPress or Drupal
- Passion for environmental issues and understanding of sustainability, CSR and related topics
- Ability to work in an interdisciplinary, globally dispersed team as well as independently
- Outstanding planning and time management skills
- Eagerness to grow and learn in an evolving environment
- National, or holder of a valid required work visa in host country

We offer

- An opportunity to develop in a challenging and exciting global company with a real purpose
- The possibility to work across the key areas of sustainability with highly dedicated and motivated experts from South Pole Group's dynamic team
- Excellent team spirit
